**STEICO**  
Das Naturbausystem

The STEICO Group develops, produces and markets ecological construction products made of renewable raw materials. STEICO is the European market leader in the wood-fibre insulation materials segment. STEICO is positioned as a system provider for ecological residential construction and is the only manufacturer who offers an integrated wooden construction system in which insulation material and construction components supplement each other. STEICO employs around 2,000 people at seven European locations.

Steico is looking for a

## Commercial representative

The Netherlands

today

permanent

full-time

## OUR OFFER

- An interesting, varied job in an internationally active, fast-growing and innovative company
- Solid training and support
- A competitive remuneration package with company car

## YOUR TASKS

- Support of existing customers as well as acquisition of new customers in the Netherlands in the field of wood construction and natural insulations
- Product advice to trade and industrial customers, architects and craftsmen with support from our technical department
- Monitoring turnover and sales targets in consultation with commercial management

## REQUIREMENTS

- Professional experience in (inter)national sales in the timber or building materials industry
- Very good Dutch language skills, good German or English language skills
- Good communication and negotiation skills as well as a good sense for new sales opportunities
- High degree of social competence, convincing personality, reliability and sense of responsibility
- Hands-on mentality
- Flexibility and willingness to travel
- A residence located in the sales area is a prerequisite, preferably in the centre of the Netherlands
- An education in timber construction (Degree level or similar) is an advantage

## APPLICATION

If we have aroused your interest, we look forward to receiving your application documents with details of your salary expectations and earliest possible starting date.
