STEICO
Das Naturbausystem

STEICO develops, produces and distributes biobased building products and woodfiber insulation materials. With its integrated timber construction system, in which insulation materials and structural building components complement one another, STEICO occupies a signature position within the industry. In addition to its headquarters in Feldkirchen near Munich, STEICO operates production facilities and sales companies at six further locations across Europe.

STEICO is looking for a

Sales Representative for Belgium (m/w/d)

Benelux

immediate

permanent

full-time

OUR OFFER

- An interesting, varied job in an internationally active, fast-growing and innovative company
- Solid training and support
- A competitive remuneration package with company car
- A solid, well established Benelux team looking to expand its capabilities
- A position with broad opportunities for professional development
- Well equipped home office setup with modern IT tools

YOUR TASKS

- Responsible for expanding and maintaining customer relationships and acquiring new customers in Belgium and Luxembourg in the field of wood construction and natural insulation.
- Technical advice to trade and industrial customers, architects and craftsmen.
- Cross-functional coordination of customer topics, market inquiries, and requirement specifications with internal teams including the Technical Team, Marketing, and Finance.

REQUIREMENTS

- Professional experience in (inter)national sales in the timber or building materials industry.
- Fluent in French and Dutch; additional proficiency in German and English is welcome.
- Good communication and negotiation skills as well as a good sense of new sales opportunities.
- High degree of social competence, convincing personality, reliability and sense of responsibility.
- Hands-on mentality.
- Flexibility and willingness to travel.
- A residence located in the sales area is a prerequisite.
- An education in timber construction (degree level or similar) is an advantage.

APPLICATION

If we have aroused your interest, we look forward to receiving your application documents with details of your salary expectations and earliest possible starting date.
